Nies Residence

Michael L. Saxinger, R.L.A. designed this incredible landscape for Mr. & Mrs. Nies. This project won "Best of Show" in the Landscape division for the 2009 Lancaster/Lebanon County Parade of Homes. Michael worked with the landscape contractors, Penwood Landscape Company, to design a plan that enhanced the views to the surrounding golf course while providing a pleasing curb-side appeal. Emphasis was placed on the entry to provide a welcoming atmosphere. Outdoor lighting was designed to enhance the landscape at night.
